

How to read your TALLENTEX report card?

Step 1: Log in with your details

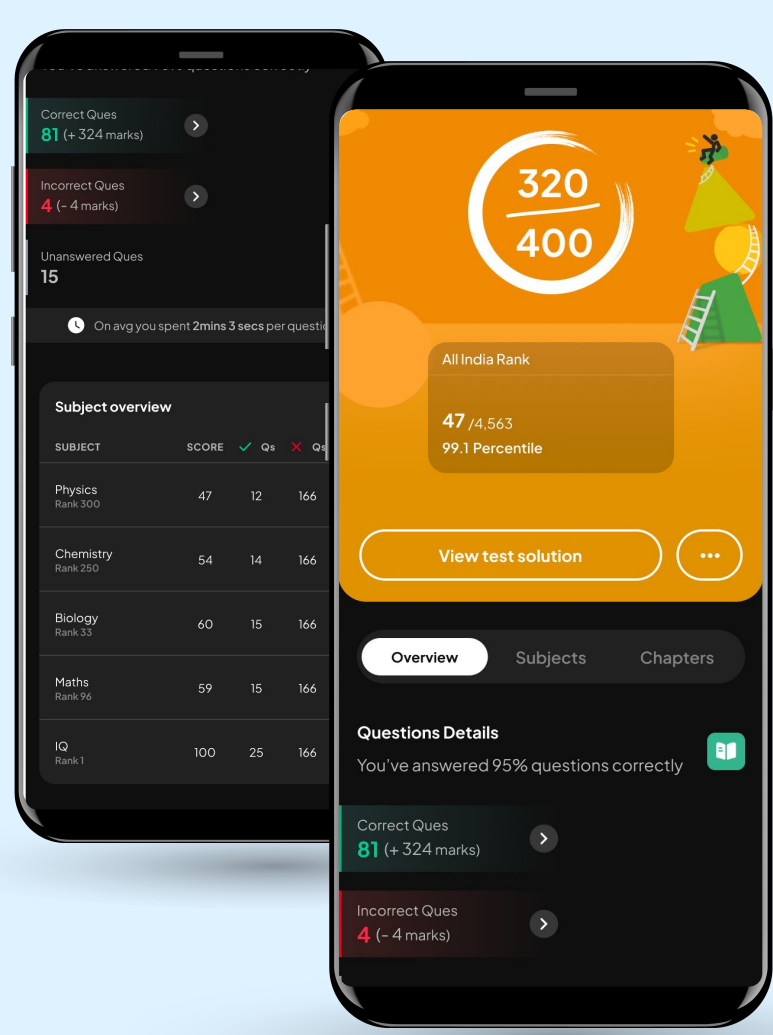

- ▶ Visit the ALLEN app or website
- ▶ Log in using your **registered mobile number** (used during TALLENTEX registration)
- ▶ On the homepage, tap on the banner–**“TALLENTEX results are out!”**
- ▶ You will be taken to allen.in/tallentex
- ▶ Click on the TALLENTEX results banner & tap the ‘**Check My Result**’ button

Step 2: View your result summary

- ✔ You’ll instantly see your cash reward and scholarship percentage (if applicable)
- ✔ Your All India Rank and total marks will be displayed
- ✔ You will also be able to see your Competitive Success Index Score, which tells you about your future potential for key competitive exams
- ✔ Click on ‘Detailed Report’ to explore your complete performance break-up

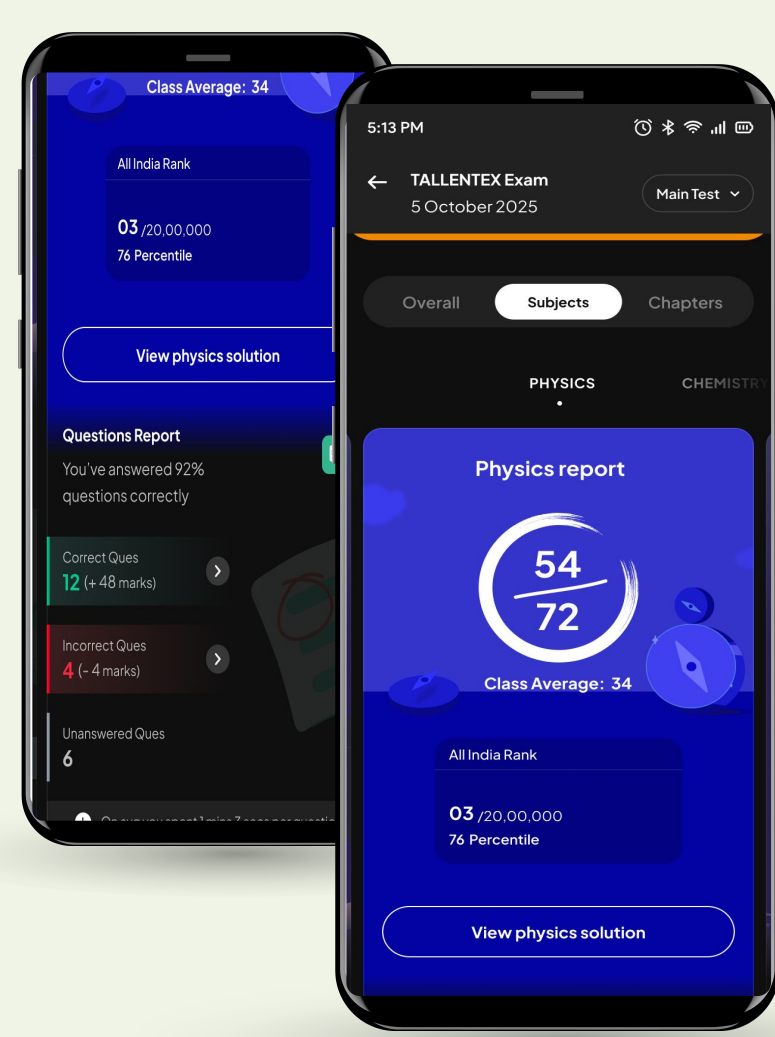

Step 3: Results overview

Get a summary of your performance–

- ✔ Correct, incorrect, and unattempted questions
- ✔ Subject-wise scores
- ✔ Your All India Rank & percentile among all participants in the same class as you
- ✔ Quickly understand your overall standing and performance consistency

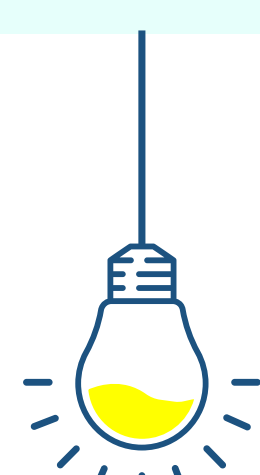

Step 4: Subject-wise analysis

- ✔ Click on the ‘**Subjects**’ tab to dive deeper
- ✔ View your performance across all subjects
- ✔ See your score vs. class average, percentile, & your All India Rank for each subject
- ✔ Access question-wise solutions to learn from your mistakes

Step 5: Use your report to improve

- ✔ Review your detailed analytics regularly to identify areas for improvement
- ✔ Access relevant ALLEN Online Courses or modules to strengthen your weak subjects.

Remember– Every report is a roadmap to your success!
